PASSWORD MUDDLE !!!

We have had many queries from members who have misunderstood the fact they now need a password for the website!

We have introduced a 'Registered Users' section on our new website where certain pages are not accessible to the general public. To access those pages your e-mail address must be registered with us on the Club Administration System (CAS).

This username and password is NOT for CAS. Club Contacts should access the CAS system as before using the username and password they have always used. CAS is accessed via a yellow 'tile' (as on the right) on the homepage of the website.

So, two systems to sign into. One for the web (your e-mail address if it is registered on CAS) and one for CAS (Club Contacts only). For help see the homepage of the website!

DO YOU WANT YOUR OWN FREE CLUB WEBSITE?

As I am sure you are aware 41 Club now has a fantastic new website which we are very proud of.

One of the main criteria in the design of this site was to give the opportunity for clubs to also have a website, managed through the same system, with the same look and feel, and also being an integral part of our national site.

This is now available for your club to take advantage of. To see an example of what can be done, please look at the site for Abingdon. You can either reach this by its own address www.41club.org/micro/abingdon-district or via the national site by entering 'Abingdon' in the Club Search.

To take advantage of this free service, you firstly

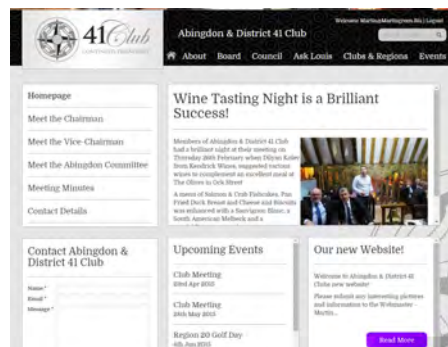

need to decide on a member who is going to manage it for you. Although not horrendously complicated – this person does need to have good technical skills and be 'in the know' of what is happening in your club. A detailed instruction manual is available and I am happy to support anyone either by sharing screens or on the phone if they need help.

Please discuss this at your next meeting. If you wish to take up this facility, please contact me with the name of your proposed 'webmaster' and his contact details and I will be in touch.

Clubs who already have websites will tell you the advantage they give. They massively improve communication and allow information to be placed within it to provide reference. If you already have a website by changing to our system you can save the cost of web-hosting. Unfortunately we are unable to take individual club domain names onboard.

Please contact me if you need further details.

CAMBERLEY EX ROUND TABLE AND 41 CLUB GIVE SUPPORT TO PARITY FOR DISABILITY AND SURREY YOUNG CARERS

Two local charities have received a welcome boost from the Camberley 41 Club. Club representatives presented a cheque for £1,787 to students and staff at Parity for Disability's new day service in Mytchett on Thursday 26th February 2015, and later that day presented a cheque for £1,790 to a group of clients of Surrey Young Carers.

The monies were part of a total of £7,351 raised at several collections in Surrey Heath over Christmas and divided amongst four charities. Camberley Care and the 4th Camberley Scouts also received cheques for £1,787.

The day service of Parity for Disability provides trained, caring staff to support people with profound disabilities

enabling them to continue learning, achieving and accessing a range of activities. They plan frequent trips out and about using the charity's fleet of minibuses and access vital physio and speech therapies.

Surrey Young Carers provide respite, support and social events for young people who are the principal carers of a parent, relative or sibling unable to care for themselves. These young people face an onerous daily workload and immense responsibilities. Staff at Surrey Young Carers are able to support them with counselling, advice, respite days, experience sharing, and some social functions to lighten their load.

Camberley 41 Club's Fundraising Chairman, Mike Mawtus said:

'Every Christmas, the residents of Surrey Heath are very generous with their donations when 41 Club members go out to several venues with our Santa Float and Christmas Carols. We in turn are delighted to pass on these funds to some small,

local charities and good causes. Parity for Disability and Surrey Young Carers, very efficiently provide essential help and support to members of our community less fortunate than most. Our visits to these charities was a most humbling but heartwarming experience.'
