

Walk- and short distance.

The idea by doing the HYM meeting in Odense are good prices, short distances, many enthusiastic LC's, RT's, Tangents and Ex-Tablere who support the event very much – and where we also do Home parties....
In Odense there will be walking distance to almost everywhere.
Odeon - the Conference hotel - is the newly built 4-star hotel with 230 rooms, located in the center of "old" Odense. The train station is 350 m away - HC Andersen's house 100 m, so you are right in the center of town.

Parties -

Home Parties - Welcome party in City Hall banquet hall – Gallaparty at the Conference Center Odeon.

Odense is the base for many RT, LC, Tangent and Ex-Table clubs -

We already have promises from many hosts for Home parties.

The municipality has invited us all to welcome party in the very beautiful Banquet Hall at City Hall!!

The gala is at the Conference Centre – as we have done before – and it works!!

Meetings - Tourist Tours - Pub Crawl

Wow – We (Tom) have already planed more than 10 meetings – The 2 HYM meetings on Saturdays are the very focal point of our gathering, but in addition to that, there are many things going on --- so if you are a freak – you have the opportunity for lots of knowledge and influence - otherwise there are tourist tours and Pub crawls...

Transport.

There will also be bus transport - but don't worry! Of course, there is beer and wine on the bus. Remember the motto

- Never eat on an empty stomach!

She has also traveled extensively and been LC president in Denmark.
Dawn Mortensen and Elly Nissen – Past-IRO and new Tangent Denmark's IRO's.

Dawn has traveled a lot, has lots of international contacts and has served on the TCI board as secretary - so she is used to international communication!

Elly is teaching very fast - and she's ahead!! – besides Elly is treasurer in TCI!

enthusiastic, and then I have one motto - and it is:

"Never eat on an empty stomach !!" So come on, guys!

Besides, I'm not just ready - I'm born ready. As you know, there's a woman behind every man - and I'm so lucky that I have Bodil - so don't worry - things are under control!
